Clerk of Court Newsletter June 2007

To Attorneys, CM/ECF Users, and the Public:

This communication contains information about news, events, and activities at the Bankruptcy Court. While much of this information is contained on the Court's website, I convey it to you for immediate use.

- **CM/ECF Upgrade.** CM/ECF will be unavailable on Sunday, June 24th due to a systems upgrade to Release 3.1.5. CM/ECF is scheduled to become available by 5:00 p.m. on June 24th. While most of the changes relate to internal issues of the Court, some changes do affect external users. Information concerning these changes can be found at http://www.moeb.uscourts.gov/pdfs/3_1_5_external_changes.pdf.
- **Transcript Redaction Instructions.** The U.S. Judicial Conference recently announced changes to require redaction of sensitive information from transcripts. Instructions concerning the obligation of parties to redact sensitive information and how to do so can be found on the Court's website at www.moeb.uscourts.gov/pdfs/Transcript_Related_Events_revised.pdf
- **New Local Form.** The BAPCPA requirement to provide tax returns and payment advices to the panel trustee has resulted in litigants and their counsel complying in a wide variety of ways. Counsel and panel trustees, working together informally, have developed a form for use that is particularly helpful in instances where tax returns or payment advices are not available. Use of this form is voluntary. It can be found on the Court's website at www.moeb.uscourts.gov/forms/PDF/Stmt_re_Pymt_Advices_Tax_Rtns.pdf
